

Acknowledgements

We would like to acknowledge the Andrew W Mellon Foundation (grant number G-1808-06065) for generously funding this programme. We are particularly grateful for the funding that supported postgraduate students from a variety of disciplines and for your support of the broader public engagement activities this programme was able to host.

We extend our gratitude to Berneshia February for successfully managing the administration of this inter-university programme. We also specifically recognise Dr Lynn Mafofo, a Senior Research Fellow on this project, who assisted immeasurably with the post-graduate student workshops and mentoring responsibilities.

Lastly, our deepest thanks to all supervisors and colleagues at the University of the Western Cape, the University of KwaZulu-Natal and the University of Pretoria who, directly and indirectly, assisted students and the research projects aligned to this programme.
